What this means to you:

We will be performing a scheduled change to migrate across to a new Consumables ordering web site. This is needed because we are upgrading our consumables web page over the weekend. We are confident that you will find the new consumables ordering system is easier to navigate and more user friendly.

**The consumables ordering website will NOT be available until Monday.
Urgent orders may be phoned to 09 574 7399 option 2.**

Please note that from Monday 01 Nov 2021 the links to the ordering forms on our consumables ordering page will be different. Please bookmark or save the new link to your favourites in your browser.

If you have any questions call Labtests on 09 574 7399 option 2.
